Re: Hale, Daniel Everette SSN: 589-13-5288

Dear Assistant United States Attorney Kromberg:

This is in reference to your August 2, 2019, email requesting a copy of the Standard Form 86 (SF-86) from the investigative file of Mr. Daniel Everett Hale, maintained by the National Background Investigations Bureau (NBIB). Your request indicates the document will be used in the case of *United States of America v. Daniel Everette Hale, Criminal No. 1:19-CR-59*.

The enclosed material is being released under routine use "I" from the OPM Central 9 system of records (U.S.C-§552a) for background investigation records. Routine use "I" reads as:

To disclose information to another Federal agency, to a court, or a party in litigation before a court or in an administrative proceeding being conducted by a Federal agency, when the Government is a party to the judicial or administrative proceeding. In those cases where the Government is not a party to the proceeding, records may be disclosed if a subpoena has been signed by a judge.

The enclosed records may not be re-disclosed for any other purpose unless coordination is made with the NBIB Freedom of Information and Privacy Act office.

We are providing you a copy the requested SF86 from Mr. Hale's investigative file. We have redacted Mr. Hale's personal financial account numbers, pursuant to the Right to Financial Privacy Act of 1978. To protect Mr. Hale's personal identifiable information (PII) we have partially redacted his social security number, date of birth and military service number and completely redacted his selective Service registration number and his mother's maiden name. We have also redacted third party (subject's parents and siblings) PII to ensure privacy protections to the third parties.
